

POLICY MANUAL

Policy title:	PROTECTION OF WORLD'S RAINFOREST TIMBER POLICY
Policy number:	5.2.21
Objective:	To protect the world's rainforest timber species
Link to community vision/service:	Environmental Leadership
Program Area:	Development and Compliance
Policy created: 17/3/92	Council reviewed: 18/7/95, 14/7/98
Last reviewed by staff: 30/01/14	TRIM Ref: ED10/15906 & ED16/31323

Council take positive action to attempt to protect the world's rainforest timber species by resolving not to use these timbers in its works programmes and also to encourage the local building industry to use alternative timber by supplying a list of suitable alternatives with each building approved.
