1. Introduction

Lismore City Council has recognised that damaged or missing signs are an inconvenience to the public and represent a potential for public liability claims.

In order to reduce the inconvenience incurred by the public and to reduce possible claims, Council has sought to identify what signs are required.

2. Inspection Regime

Council will carry out inspections of its pools, parks and reserves in accordance with a procedure authorised by the General Manager. The frequency of inspections will be determined by Council resources.

3. Evaluation on Control

The procedure will detail the method used to evaluate the risk and recommend the appropriate treatment for the identified risk using as its basis the Statewide Mutual Best Practice Manual, Signs as Remote Supervision, Version 2.

4. Budget

Council will allocate resources to conduct inspections, assessments and works for the implementation of the policy and procedures within Council's budget constraints.

5. Monitoring and Review

This policy will be reviewed at least on an annual basis in accordance with Council policy. The General Manager will monitor and review the procedure as required
