

WHAT'S OPEN

Six months on from the worst natural disaster to hit our community, local businesses are reopening.

To help you shop local and support the increasing array of Lismore stores that are back in business, Council has partnered with the Lismore App to deliver the 'WHAT'S OPEN' listing and an interactive map shared on the www.cometotheheart.com.au website.

This issue of Local Matters is dedicated to letting you know What's Open. The list of Lismore businesses, organisations and attractions was developed in August, with ongoing updates available via the Lismore App and www.cometotheheart.com.au website.

We encourage all business operators to update their listing to help keep the community informed.

To list your Lismore business, please follow the steps below:

- To join the Lismore App listing please email simon@lismoreapp.com.au
- To be included on Lismore City Council's 'WHAT'S OPEN' interactive map, let us know via business@lismore.nsw.gov.au
- You will need to first have a current Google Map listing – you can find some tips for checking and updating your Google profile outlined on our Flood Information webpage at www.lismore.nsw.gov.au/flood-2022-information

ON PUBLIC EXHIBITION

389 Keen Street, East Lismore – Rezoning planning proposal

Council resolved to support the public exhibition of a rezoning planning proposal at part 389 Keen Street, East Lismore at its ordinary meeting of 11 February 2020.

The objective of the rezoning planning proposal is to enable the future subdivision of the land to potentially create 30 residential allotments. This proposal is achieved as follows:

- Change the land use zone of part 389 Keen Street, East Lismore from RU1 Primary Production to R1 General Residential, and
- Apply a minimum lot size of 400m² for Zone R1, and
- Apply a maximum building height of 8.5m for Zone R1.

The Minister of Planning has delegated the making of this LEP to Lismore City Council under section 3.34 of the *Environmental Planning and Assessment Act 1979*. This means Council will complete the final stages of the rezoning.

The planning proposal to amend LEP 2012 is publicly exhibited until 20 September 2022. Submissions must be received by Council by close of business on 20 September.

Copies of the draft amendment are available on Council's web site www.lismore.nsw.gov.au at the "Your Say Lismore" link and the NSW Planning Portal. Submissions relating to the draft rezoning planning proposal outlining grounds of support or objection can be lodged via the "Your Say Lismore" link or emailed to council@lismore.nsw.gov.au or mailed to the General Manager, Lismore City Council, PO Box 23A, Lismore.
